

Tetranational Congress Phytotherapy 2024

May 30th-31st in Utrecht, Netherlands

On 30 and 31 May, the phytotherapy associations NVF–GPT-SMGP/SSPM-ÖGPHYT from the Netherlands, Germany, Switzerland and Austria are organizing their second Tetranational Congress in Utrecht, for the first time in the Netherlands.

The program pays special attention to:

- infections and herbal remedies
- bacterial biofilms
- gut microbiome
- gut health at different stages of life
- Pediatrics
- traditional herbal medicine
- one health

Schweizerische Medizinische
Gesellschaft für Phytotherapie
Société Suisse de
Phytothérapie médicale

For confirmed key-note speakers, full program and registration form look at conference website;
